

Dec. 2013

Merry Christmas & Happy New Year!

Membership Renewals

It's that time of the year! Please respond by renewing your annual Kansas Chapter dues! We appreciate your membership and commitment to the concrete industry. All you have to do is log on to our website: www.acikansas.org, select "membership" and renew from there!

The Kansas Chapter is as strong as our membership! We look forward to continuing our certification series, member meetings/seminars, the annual awards program, etc. Please refer new members to our chapter too! Our dues are extremely reasonable!

Call for Entries - Kansas Concrete Construction Awards

[Entry Form](#)

[Click Here](#) for more general information, categories etc.

By now, you should have received a separate email informing you of the 2013 call for entries for the Annual Kansas ACI Concrete Construction Awards. Every year we honor those projects in our state that exemplify the best use of concrete! But you can't win, if you don't enter. This year, we have extended the **deadline** until **January 3, 2014**...but, don't wait till the last minute! Submit an [entry](#) today!

February 5, 2014, Save the Date, Awards Dinner Program

Mark Your Calendars & Save the Date!

February 5, 2014

Our Kansas Chapter Awards Program & Dinner in Manhattan, KS.

More information will be on the way to you.

Invitation coming in January 2014.

September 12, 2013 Event Well Attended

KS ACI wants to thank Doug Sordyl, ACI for flying into Kansas City to speak to a professional group of professionals and constructors about the **Reorganization of ACI 318-14**. About 80 engineers, academia, students, contractors and concrete industry individuals attended the event at the University of Missouri Kansas City (UMKC).

MO ACI along with the Concrete Promotional Group and the Kansas Ready Mixed Concrete Association pulled together with KS ACI to put the event on. Thanks to UMKC for hosting the event on campus and coordinating the lunch program.

February 5, 2014, Board of Directors Meeting

The first Board Meeting will be before the Awards Program on Feb. 5, 2014 in Manhattan, KS. More information will be forthcoming.

Certification Schedule for 2014

The schedule and fees for ACI Certification in Kansas is being finalized. As always, the current schedule and fees can be found [here](#). Check back for updates!

Plan now to attend an ACI Convention in 2014

ACI conventions are dedicated to improving the design, construction, maintenance, and repair of concrete structures. Conventions provide a forum for networking and education and the opportunity to provide input on concrete industry codes, specifications, and guides.

ACI International is holding it's spring convention in Reno, NV, March 23-27, 2014. The theme for the convention is "Concrete Endures".

Start planning your involvement now. Check out the registration information at: <http://www.concrete.org/Convention/Spring-Convention/Front.asp>

The theme for the ACI Fall Convention is Spanning the Globe and will be held in Washington DC, October 26-30, 2014. More information can be found [here](#).

And if these aren't close enough...

Coming to Kansas City, Spring 2015

ACI is hosting the Spring 2015 Convention right here in our backyard! The Theme is Fountains of Concrete Knowledge!

Join co-chairs, Larry Taber, KS ACI and Mario Brontoli, MO ACI, in planning the honorable event. There is still plenty to do between now and then.

Contact Larry Taber, TaberLH@bv.com to volunteer your time and ideas.

Thank you to our Newsletter Sponsors. We appreciate your support!
