Plan now to attend an ACI Convention in 2014

ACI conventions are dedicated to improving the design, construction, maintenance, and repair of concrete structures. Conventions provide a forum for networking and education and the opportunity to provide input on concrete industry codes, specifications, and guides.

ACI International is holding it's spring convention in Reno, NV, March 23-27, 2014. The theme for the convention is "Concrete Endures".

Start planning your involvement now. Check out the registration information at: <http://www.concrete.org/Convention>

The theme for the ACI Fall Convention is Spanning the Globe and will be held in Washington DC, October 26-30, 2014. More information can be found [here](#).

And if these aren't close enough...

Coming to Kansas City, Spring 2015

ACI is hosting the Spring 2015 Convention right here in our backyard! The Theme is Fountains of Concrete Knowledge!

Join co-chairs, Larry Taber, KS ACI and Mario Brontoli, MO ACI, in planning the honorable event. There is still plenty to do between now and then.

Contact Larry Taber, TaberLH@bv.com to volunteer your time and ideas.
