Kansas ACI Welcomes New Officers

With the completion of the annual elections, the Kansas Chapter ACI announces that **Cory Claxton** from Penny's Concrete will serve as President of the Chapter for a one-year term, and **Larry Taber** from Black & Veatch will serve as Vice-President for a one-year term. In addition, the following members were elected to serve as Directors for a three-year term:

Mark Newland - Monarch Cement Company

Seth O'Brien - Pittsburg State University

Bill Yunghans - Geiger Ready Mix

Outgoing Directors include:

Larry Taber - Black & Veatch

Scott Martens - Kansas City Testing & Engineering

Denise Valdepena - Decorative Concrete Supply

Congratulations to our new officers and thanks to all who have volunteered their time to the Chapter!

Joe Hug joins ACI Board of Directors

Joe Hug, FACI, is Technical Services Manager for The Monarch Cement Company in Humboldt, Kan., where he has served for 22 years. Hug was recently named to a 3-year term on the ACI Board of Direction. He is Chair of the ACI Certification Programs Committee and the Certification Programs Award Committee and a member of numerous ACI committees. Hug received the 2007 ACI Chapter Activities Award, the 2016 ACI Certification Award and was named a Fellow of ACI in 2016.

He is a Past President of the Kansas Chapter of the ACI and currently serves as Secretary/Treasurer for the chapter. He previously chaired and has remained active on many chapter committees, and assisted with both the 2005 and 2015 ACI Conventions in Kansas City. Hug is an active member of ASTM Committee C09, Concrete and Concrete Aggregates; the Portland Cement Association; the Missouri/Kansas Chapter of the American Concrete Paving Association; and many other regional concrete associations.

Hug received his BS in mechanical engineering from Kansas State University, Manhattan, Kan., and is a licensed professional engineer in Kansas, Arkansas, and Missouri.

Kansas ACI Membership

We need you! To help us Grow!

The Kansas ACI Chapter is one of the MOST AFFORDABLE Professional Organizations to belong to! You know quality interested professionals! Ask them to join our group!

Let's make it easy!
Pass along this link for easy online registration:

Top Five Reasons to become a KS ACI member:

1. Help raise the bar for quality concrete construction, testing & design.
2. Be part of the concrete community to recognize and honor concrete construction. (The KS ACI Annual Concrete Construction Awards)
3. Be part of the best networking group in the state!
4. Participate in quality continuing educations programs.
5. Help foster excellence in our future work force, scholarships for Kansas university students, nurture college competitions in concrete mix designs and construction.
